

Depot Pier 7 B.V.
Zaltbommelstraat 10, 3089 JK Rotterdam
Harbour 2530

Activities

- **Storage and Transhipment of empty containers**
- **Repair and cleaning of all types of containers including reefers**

DEPOT PIER 7 is specialised in the handling, storage, estimating, repair and transhipment of empty containers. The terminal is well equipped for cleaning and repairing all types of containers, including reefers. Our web-based information system and applications, for release and EDI, guarantee up to date and accurate information.

The barge facilities makes DEPOT PIER 7 one of the best-equipped empty depots of Rotterdam.

Storing containers on our water connected depot offers customers maximum flexibility combined with handling capacity for intermodal concepts.
